

## **UK's dedicated Construction Job board**

## **UK's dedicated Construction Job board**

eConstructionwork.com is the UK's online job board that is completely dedicated to finding a job in the Construction Sector. Jobs advertised cover the **complete** range in blue collar and white collar. eConstructionwork.com gives the recruiter the tool to advertise every job role in the construction industry. The service is designed to cater for all sectors including Construction Technical, Trades and Labour and Mechanical and Electrical. eConstructionwork.com is the tool to advertise your vacancy to a mass construction audience.

### **Benefits for Recruiters**

The Construction Sector is a candidate driven market and therefore finding the right candidate for the right job is always a challenge.

eConstructionwork.com offers recruiters the following benefits :

- Allows recruiters to advertise all vacancies in construction.
- An on line recruitment service that is user friendly, efficient and effective in meeting your immediate recruitment needs.
- A cost effective solution to your recruitment process.
- Time saved in advertising your urgent vacancies - Jobs can go live instantly!
- Built in management system for recruiters to monitor responses to your advert.
- A recruiter can access candidates in the Construction sector all over the UK and at all levels.

By selecting the individual features offered by the site, eConstructionwork.com gives the recruiter an opportunity to advertise vacancies in ways to suit your establishment and your advertising budget.

Adverts can be branded with company logos and company profile and will be active for 30 days, offering maximum exposure to your target audience.

## **Benefits for the Construction jobseeker**

There are a variety of different vacancies that fall into the sectors of Construction Technical, Trades and Labour and Mechanical and Electrical. For a job seeker, finding the right position can involve searching through many different sources that can be time consuming.

eConstructionwork.com offers the jobseeker the following benefits

- Specialist job search service dedicated to the Construction sector.
- Free Registration for candidates that is quick and efficient.
- Permanent and Temporary jobs across the UK
- Access to latest Construction job vacancies that are available across the UK
- Up to date information about construction establishments that are currently recruiting
- Job seekers can have the option to have their C.V. viewed by employers – who would then contact the job seeker.
- Job seekers can be notified of the latest vacancies via email.

## **How to choose the right advertising package**

**Step1.** Call the eConstructionwork.com sales team on 0870 818 1001 to help you decide upon the right advertising package to suit your recruitment requirements

**Step2.** Once a decision has been made simply provide us with your account details and company details and eConstructionwork.com will activate an account for you. You will be assigned a dedicated account manager to support you through your advertising campaign.

**Step3.** Log onto [www.eConstructionwork.com](http://www.eConstructionwork.com) to place your vacancies. Your vacancies will be activated immediately for 30 days. All job seeker applications will be sent directly to your email account. The recruiters page will allow you to monitor applications and view status of every vacancy.
